Distribution Control on D/OC Maps

25X1A9A

1. On 11 March, 1958 several persons from D/OL and D/OC ^{act}
[redacted] to review the policies governing the distribution of maps produced by the Cartography Division.

2. The current policies have been in effect for many years and were essentially reaffirmed except for the following modifications:

The Limited on Demand (LOD) category will no longer apply to any classified map and no limitation as to quantity will apply when associated with an unclassified map.

3. The Limited and Regular categories will continue in effect as previously stated.

4. It is hoped these modifications will permit a more efficient procedure for distribution of maps on which some "control" may need to be applied.
